

Varn Plate Plus

Heavy duty plate cleaner

Varn Plate Plus is a heavy duty plate cleaner that will economically remove even dried-on ink easily, without damage to all types of pre-sensitised plates.

Varn Plate Plus is an aqueous blend of petroleum solvents and vegetable gums, fully biodegradable, with low odour and high flash point.

Varn Plate Plus is fully compatible with a wide range of inks including UV & metallics.

Varn Plate Plus contains a mild abrasive which assists the cleaning action and enhances product performance.

Features	Advantages	Benefits	Product Benefits
